Schedule F, Part I, Line 2 - In Uganda, double signatures are needed for all banking activity. Those creating budgets are not the same people who have authority over dispensing funds. A financial manager provides internal audits on spending every 30-60 days. In addition, an annual audit is conducted by an external licensed auditor. In the United States, we reconcile transferred funds against ministry program expenditures, monitor the financial books on a monthly basis, inspect program services whenever a Board member is in Uganda, receive an activities report by the Exec Director at each Board meeting that includes performance against ministry objectives, and an annual audit by an external licensed auditor.
